“ Alan was always an unofficial/extended member of the Hess family. So, when I joined the family in high school, he became family to me as well. So many great memories! He was like an "adopted" uncle to my husband and I enjoyed lots of conversations we had and quite a few hunting outings together. He always had charisma and was such a great, kind, caring guy. When we moved across the country, we felt bad about so many people that we left behind. I feel grateful that we got a chance to reconnect with him over the phone a few weeks ago. However, it deeply saddens me knowing that this was our last conversation. He will be missed by all!

Unfortunately, I won't be able to attend his services. So, Carl and Travis, I'm sending a big hug your way! Love you all!

“ God bless you Alan, may you rest in peace. My most recent appointment with Tammy Alan sat and we talked all through my hair coloring. I'm so glad we had those moments of speaking of his childhood. It meant alot to me that he was sharing his thoughts and feelings. He was a gem. My deepest sympathy to Tammy and all his family.

“ God Bless you all and your families for the loss of Alan.

We only knew each other as coworkers, Alan had a big heart and a friendly smile. We will all miss Alan at work.

I only saw Alan at work and a couple gun raffles, I enjoyed the times our paths crossed talking about hunting and fishing.

Alan was a down right good person, and God Bless you all and my sincerest sympathies.
