“ We knew Carl for 30 years after moving to the Township. He was a great friend, and loving husband and father. He also also loved his Community, to which he devoted countless hours of his time. Whenever I had a question, he was always there to help. He will be greatly missed by us all. With the greatest respect and the fondest of memories, Wayne R. Rapkin, Helen M. Koschoff, and Family,

“ My favorite time Carl, I have so many. This man was so caring and kind to me. I moved far away from my family and got home sick alot. Carl would check up on me to make I was ok, even though I was just a tenant. He came over for dinners, enjoyed nice long talks about the pass, present and future. I would always say if he ever needed anything just call me. In my eyes he became my adopted Grandpa, I told him that one day and he just smiled and hugged me. When I told him I was pregnant he said with a smile, "You will be a great mom, cause you have a caring heart."

During the last few weeks I had with Carl, we would watch Wheel of fortune and say We could win that game together. Jeperty would be next and we both knew that game wasn't for us but we learned alot.

Smiling and laughing, that's how I'm going to remember Carl, a man who would always care for others before himself.

I love you Carl aka grandpa. Thank you for being part of my life.

“ Dear Cale, Kate, Butterscotch, Smokey, Bootsy, and family, Carl has definitely took a little piece of my heart with him. He was an easy going guy who managed to have a good attitude given his failing health. In his mind, he was in his garage and driving his truck wherever he wanted to go! I learned a lot from Carl. For examples, about wildlife (especially deer) NASCAR (how it used to be) and listened to a lot of Classic Country Music (when country music was country)! Carl was kind and tolerant especially with my cooking (not my strong suite). He would say how delicious the food was and he hadn't tried it yet!! Always a gentleman! He often said he was so fortunate to have a great family. Everyone had their part caring for him. He had a medical person, financial person, and a home repairs person, to name a few roles. Carl missed his true love, Karen. He often talked about her in a loving manner. He was waiting for the day they would be together, again. On a lighter side of Carl, he loved sweets! He had good friends and family who would bring him candy and or baked goods. These were always a treat for Carl and made him smile! Carl will be missed by so many people but, he left a good legacy behind for the future.

Rest In Peace my friend.
