“ Sally and Family ; Shocked and surprised to hear about Harold's passing. We remember the times we went motorcycle riding together. Also when Harold would see us anywhere he would always stop and have a story. He will be sadly missed.

“ GOD BLESS THE ENTIRE LONG FAMILY.

I had the pleasure of working with Harold and you know It's the little things, the small, everyday occurrences that I'll remember of Harold.

Harold's laughs, his stories, and his smiles. Always a wanting to spend a couple of minutes to talk about the EAGLES.

Right now even though it seems like you can never recover from your loss, it is these very memories that will help push the pain away and bring back the smiles. It will for me.

God Bless,

“ Having worked at Autoneum, in my years of employment there I have never knew of any fellow employee who showed any dislike for Harold. I liked Harold, he was a good guy with a good work ethic! Autoneum was a more interesting place when he worked there no doubt. Rest now Harold.
