“ There are no words to describe the sadness felt due to Patty's untimely passing. I went to high school with Patty at Southern Columbia. I hadn't seen her since high school, but reconnected with her on Facebook years ago. I will always remember her larger than life personality and her brilliant smile. She had a fearlessness and courage within her that some can only dream of. To her family, my deepest condolences. I hope you find comfort in knowing how much she loved you. Rest well my friend. You will be missed but never forgotten. Rock on....

“ My thoughts and prayers are with you during this very sad and shocking turn of events. Patty always had a smile, a kind word and a hug whenever I saw her. Her heart was bigger than life itself and she was very passionate about those things and people she cared about. My deepest sympathy is with you during your time of need and beyond. Due to a pre-planned trip I will not be able to attend the services but my heart will be there in spirit. I will miss Patty deeply. Hugs to all!
