“ Reg was a member of our club Fishing Creek Sportsmen & was loved by all of us. He helped out in every respect including taking a weekly turn feeding the fish & cleaning the raceways. Reg also helped in stocking fish & put out refuse containers at various points along Fishing Creek to help prevent littering along the stream. Reggie loved fly fishing & did everything he could to make it better for everyone who fished the waters of Fishing Creek; he will be greatly missed by all of us..

“ Karla and Family,

I am so very sorry for you and the kids. Reg and I shared a lot of memories. His constant commitment to the FCWA and TU and Kocher Park made these associations and park what they are today. He was dedicated to our environment and Columbia county. We shared a lot of memories with our families. I will truly miss his wisdom and dedication to so many projects and groups he was involved with. Karla, if there is anything we can do to help you through this, please call. Be strong and hang on to the love and memories. He loved you and the kids and grandkids so very much.

Prayers,

Mary and Al Wagner
