“ Stephanie was a great friend of mine throughout high school. She loved music, learning and was fun to be around. We lost touch over the years but I will never forget Stephanie and her zest for life, even when she was sick. I send my belated condolences to her family and especially her two girls who she loved so much. xx, with love, Kristen Growney

“ My thoughts are with Stephanie's family and friends. I am not able to be at her service in person, but want you to know I am with you in spirit.

Stephanie was a special young woman, a friend of my son, Joe, and a wonderful choral student of mine when she was in high school. In fact, she was my first student to go to State Chorus. She has been an inspiration to all and a loving and devoted daughter and mother.

I send my love and sympathy to her family and friends.

“ Aunt Sib - I'm very saddened to learn of Stephanie's passing. I have faith that she will rise again at the last day - because God has promised it.

1 Thess. 4:13 " But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope.

14 For if we believe that Jesus died and rose again, even so them also which sleep in Jesus will God bring with him.

15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

18 Wherefore comfort one another with these words."

“ Stephanie was my Res Life Director at Goucher, and I was an RA in my junior year. It was my hardest year of college and I would not have made it through without her support and guidance. I remember her gorgeous singing, her sense of humor, and will always be grateful for her mentorship in my life. I have been praying for her since I learned of her diagnosis. May she rest in peace and rise in glory. My prayers are with her family and friends and all who mourn.

“ The things I remember most about Stephanie were her beautiful smile, her angelic singing voice and her ability to make everyone feel at ease around her. She seemed to light up from within and was a blessing to so many. I knew Stephanie all through high school and we had most of our classes together. She was not only a good friend to her classmates, she was funny, smart and creative. My prayers are with all of you during this difficult time. I also lost my mother to lung cancer and still consider every tear shed a tribute to her memory and how much she was loved. Cry your tears and feel what you need to feel. She was loved! “ Stephanie and I had a very bonding friendship from Middle School on . We both knew we could count on each other no matter our interest or schedules. As we went to college we did loose contact with each other but once Facebook was a thing we reconnected. The last time we talked face to face was our 30th year class reunion but it was like we talked every day. I pray for Stephanie’s daughters that they have comfort knowing she fought so hard for them. Mrs. Dunn, our first meeting so many years ago was not the best but I thank you for forgiving me and allowing me to spend so much meaningful time with your daughter. I was one of her biggest supporters in all of her high school endeavors. My thoughts are with all of you.

Sincerely,
